

ST. PATRICK CHURCH
Higher Education Scholarship Committee 2022
1204 N. Armstrong St.
Kokomo, IN 46901

Dear Applicant:

We are excited that you are interested in the St. Patrick Catholic Higher Education Scholarship. This scholarship is available to any member of St. Patrick Parish who has graduated from high school and who wishes to obtain a higher education. Following is more information about this scholarship.

Purpose: To encourage and promote a sense of a caring church family community for parishioners by morally and financially supporting their pursuit of an advanced education.

Funding: Donations from individuals, church organizations, bequests, etc. The number and amount awarded each year will be determined by need and the amount of money available for this fund. The amount currently is \$500 for each recipient.

Awarding: To be determined by a point system based on financial need, academic achievement, church involvement, school and community activities, and/or outside employment.

We recognize that each applicant is an individual with varying needs. The application has been designed to gather information through specific questions as well as written responses. If necessary, a personal interview may be requested of applicants.

Please note that there are two types of applications enclosed in this packet.

- **The Dependent Application** is to be completed by students who are claimed on their parent's tax return.
- **The Independent Application** should be completed by those *not* claimed as a dependent.

Wouldn't it be wonderful if we could award each applicant the finances needed to complete their education? Perhaps someday, but whether you are awarded this scholarship or not, we want to wish you God's blessings as you work to reach your goals.

Sincerely,

The Higher Education Scholarship Committee
